CASE NO. 2:12-CV-8333-ODW (JCx)

Judge: Hon. Otis D. Wright, II
Magistrate Judge: Hon. Jacqueline Chooljian

15 NOTICE TO THE COURT

16 I respectfully submit this notice to support the notices of the individuals who were defrauded
17 by attorneys Pietz and Ranallo. At the same time they accused the *pro se* persons of extreme
18 misconduct, attorneys Pietz and Ranallo were fraudulently depriving these individuals of an
19 opportunity to respond to the accusations by ignoring the service requirements embodied in the
20 Federal and Local Rules. The Court's orders over the course of the show-cause proceeding were not
21 the product of an adversary process. Instead, they were the product of one-sided submissions by
22 Pietz and Ranallo. I place my trust in this Court's desire to uphold justice. Attorneys Pietz and
23 Ranallo should be severely punished for defrauding this Court and the *pro se* persons. The Court
24 should vacate all of its orders and establish a closely regulated briefing process. Our system of
25 justice depends on adversary presentation. When the precepts of adversary presentation are not
26 respected, our system is dysfunctional and justice is lost. This Court should not ignore, and
27 and, by extension, shatter the public's confidence in the United States courts.
